

Is the Consumer Choices Option for you?

The **Consumer Choices Option** is an option that is available under the HCBS waivers. This option will give you control over a targeted amount of Medicaid dollars. You will use these dollars to develop an individual budget plan to meet your needs by directly hiring employees and/or purchasing other goods and services. The **Consumer Choices Option** offers more choice, control and flexibility over your services as well as more responsibility.

- Do you want more **control** over how waiver Medicaid dollars are spent on your needs?
- Do you want to be the **employer** of the people that provide support to you?
- Do you want to be **responsible** for recruiting, hiring and firing your workers and service providers?
- Do you want to be **responsible** for training, managing and supervising your workers and service providers?
- Do you want the **flexibility** to be able to purchase goods or services in order to meet your needs?

If you feel the **Consumer Choices Option** is right for you, your case manager/services worker can provide help with accessing this option.
